Today's Discussion

1. Challenges

2. Tips

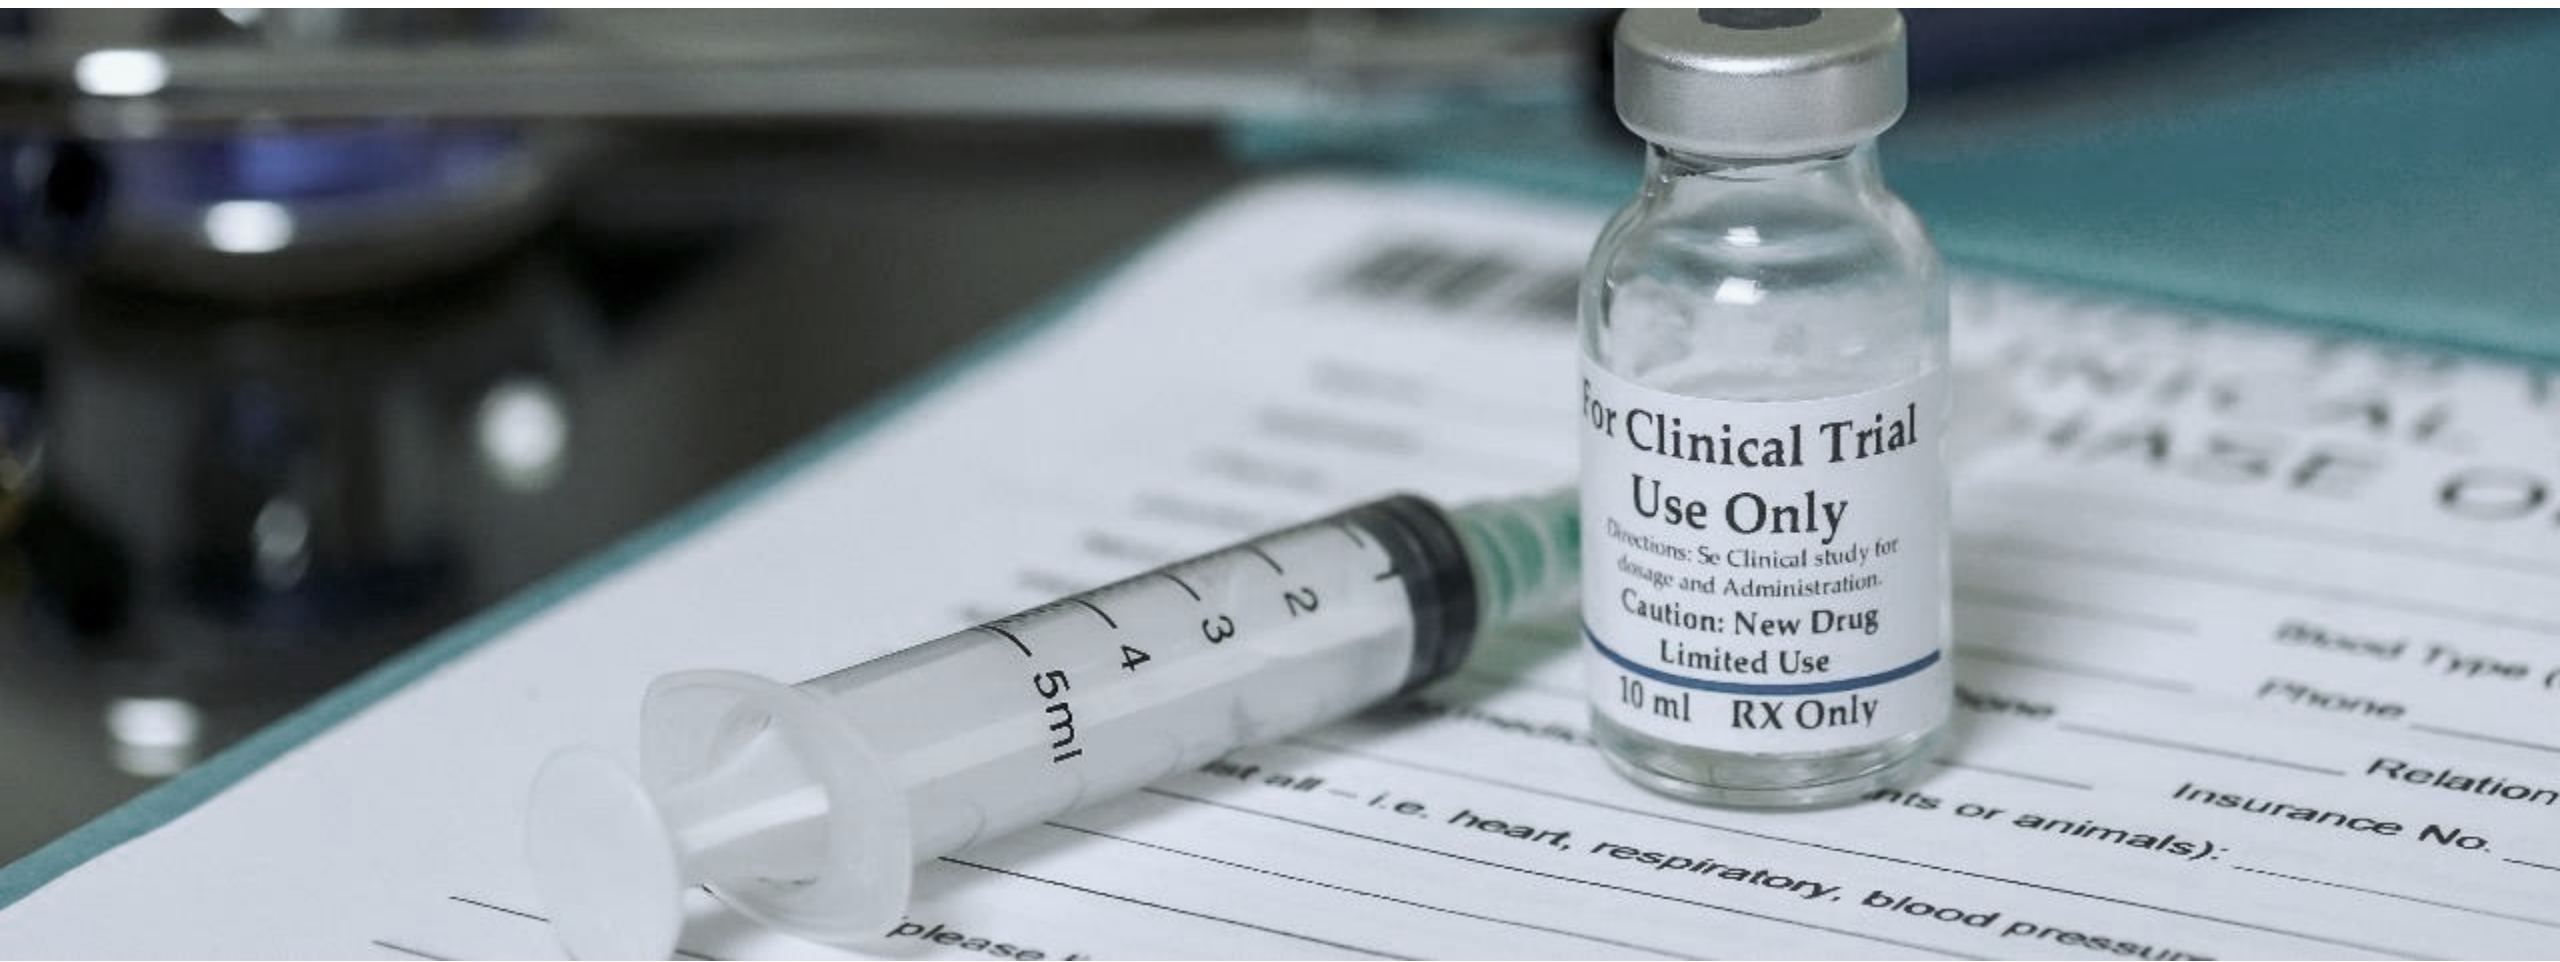

3. Services

Understanding Common Clinical Trial Challenges in Study Startup and Management

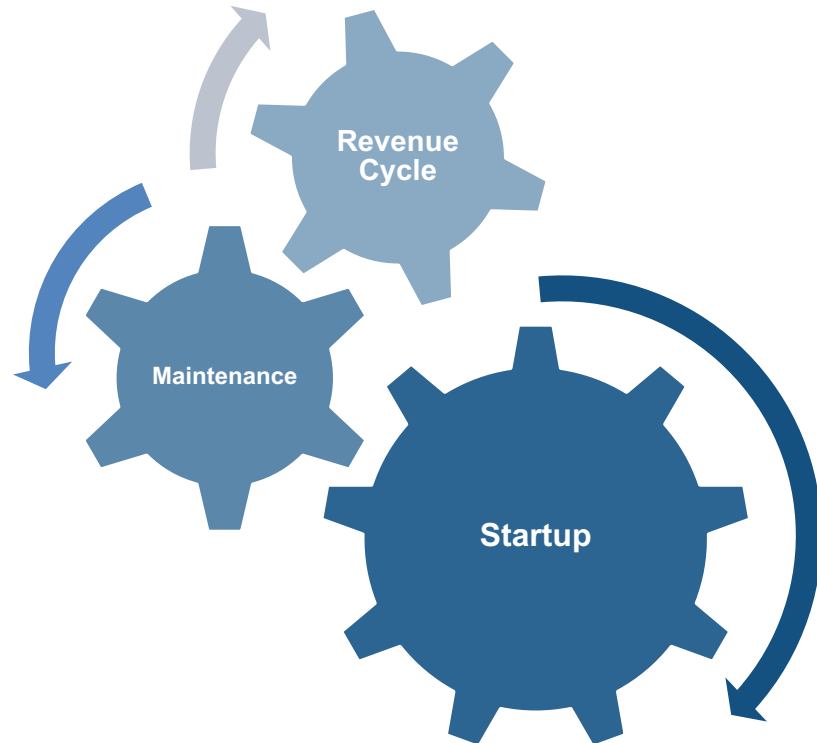

About PYA CRAO Services

PYA's Clinical Research Administration Office

PYA offers flexibility to seamlessly fit with your organizations current research processes.

We are relationship-focused and committed to conducting every aspect of our business with honesty, integrity, and accountability.

Move quickly.

We can initiate trials quickly to expedite patient enrollment and maintain positive study sponsor relations.

Plan responsibly.

We approach financial reviews with strong regulatory backgrounds to create an accurate budget and recoup your study costs successfully.

Negotiate expertly.

We review contracts to ensure the appropriate business terms are negotiated into the agreements.
